**NOTICE OF NON-RESPONSIVE AMENDMENT**

Applicant's request for continued examination filed February 14, 2008 requesting entry and consideration of the after-final amendment dated December 4, 2007 has been received and entered into the present application. Consideration of the remarks and documents contained therein has been performed herein by the Examiner. It is noted that Applicant discusses and relies upon the content contained in the publications to Hutchinson, Kastan et al., Kuerbitz et al., Canman et al., Levine, Midgley et al., MacCallum et al., McDonald et al., Brugarolas et al. and Deng et al. at p.10-11 of the remarks in support of Applicant's position that the instantly claimed invention is nonobvious over the prior art cited in the rejection set forth under 35 U.S.C. 103(a). However, it is noted on the record that Applicant has failed to provide copies of such references in the record for consideration by the Examiner, which precludes a full and complete consideration of the information contained therein to support Applicant's position that the claimed subject matter is nonobvious over the cited prior art to Dye et al. in view of Jacobs et al.

Accordingly, by issuance of the instant notice, Applicant is requested (and afforded the opportunity) to provide full, clear and legible copies of each of the Hutchinson, Kastan et al., Kuerbitz et al., Canman et al., Levine, Midgley et al., MacCallum et al., McDonald et al., Brugarolas et al. and Deng et al. references relied upon in the Remarks for consideration by the Examiner of record in order to fully and properly consider the persuasiveness of Applicant's remarks regarding the rejections of record. Since the above-mentioned response appears to be a bona fide attempt to reply, Applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction, in order to avoid abandonment. Extensions of this time period under 37 C.F.R. 1.136(a) are available.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Leslie A. Royds, whose telephone number is (571)-272-6096. The Examiner can normally be reached Monday through Friday, 9:00 AM to 5:30 PM. If attempts to reach the Examiner are unsuccessful, the Examiner's supervisor, Ardin H. Marschel, can be reached on (571)-272-0718. The fax phone number for the organization where this application or proceeding is assigned is (571)-273-8300.
